

Fuji
46%

A clean and light-scented whisky blended by Jota Tanaka from whiskies produced in Japan and Scotland, the nose has caramel, lemon, lime, orange, apricot, vanilla, and spiced chai. It's sweet, juicy, and smooth to sip, with citrus, malt, creamy caramel, chocolate, rye spices, cinnamon bread, cereal bars, and cocoa powder. The finish is dry, with cinnamon breakfast cereal and burnt sugar notes.

—Vol. 31, #2
