

Hye-Land 15 year old Single Malt

43%

Fresh-baked bread rises from the glass, warm and inviting, with dried apricots, orange scone, and toasted almonds following closely behind. Tobacco and sun-dappled leather can eventually be coaxed out, making for a softly complex nose. On the palate, vanilla frosting, Honey Nut Cheerios, and cinnamon stick are up first, accompanied by soft oak. The lengthy finish brings back more warm leathery notes, which are welcome.
