Rye

45%

Made using 100% Australian-grown unmalted rye. Play-Doh, burlap sack, orange slices, vanilla pudding, seaweed salad, and wax paper on a very grain-forward nose. There is a green quality to the palate, which while well-proofed suggests some youthfulness. Good length on the finish with notes of Andes mints. A new addition to the growing world rye movement that is certainly of a style and place. (5,000 bottles)
