

**Filey Bay Fino Single Cask (No. 674)**

**61%**

An intense wave of exotic spices and concentrated fruits: red apple, vanilla essence, citrus peel, dried fruits, golden sultana, and Thai curry spices. Impeccably balanced and composed, it has a thick chewy texture of dense fruitiness that you could scoop out with a spoon, displaying flavors of red apple, sweet tropical fruits, muscovado sugar, citrus peel, and a robust spiciness. Trust me, this is a phenomenal single cask whisky. (300 bottles)
