

Filey Bay STR Finish

48%

The late Dr. Jim Swan favored the shaved, toasted, and re-charred red wine cask, and here it imparts an explosion of pan-roasted spices and peppercorns accompanied by aromas of blueberry, strawberry jam, and rowan jelly. The palate gets a little hot, with flavors of licorice, ginger-nut biscuits, pepper, and clove adding to the red apple and rowan notes. Rather than neat pours, this makes pretty special Highballs.
