Bimber combines the art of blending with further maturation in their single malt casks for this ongoing batched release. The nose has Kit Kat, maltiness, pecan pie, rich gingerbread, and baked apple, with the ginger complemented by roasted spices. The flavors of baked orange, ginger, pepper, red apple, and red chile build to a climax, ebbing away to a sweet finish of vanilla, apple peel, and residual spiciness. (1,344 bottles)
