

Single Malts of India Neidhal Peated Single Malt

46%

Amrut is sourcing hidden-gem whiskies to maximize their potential, and Neidhal is packed with aromas of citrus, peach, nectarine, melon, papaya, and vanilla pod cloaked in clean, pungent smoke. The palate is light-textured, with citrus, malt, unsweetened chocolate, dates, prunes, vanilla, and peppery smoke. Stealthily, it slinks through flavors of clove, root ginger, and Brazil nut before a hot, peppery finish with leather, chocolate, and malt loaf. (2,400 bottles for U.S.)
