

**Blackened Double Cask
Madeira and Rum Cask
Finished**

45%

Grain-forward on the nose, like a grain barn, with lots of robust spice. Water softens it and brings out notes of candied grape. The clean, smooth palate is balanced with fruit, good depth, and plenty of spice. Water unlocks pleasant bitter chocolate and enhances the rye grain flavors. The finish is superbly long, with more spice, grape jelly, chocolate, and coffee ice cream. The cask finishing works superbly—a real winner. *Editor's Choice*
