This really casts a spell with its aromas of baked pastry, vanilla, mizunara oak, rich toffee, dried fruits, millionaire's shortbread, worn leather, and crisp pot still spices. It starts with soft citrus peel, grated nutmeg over frothy cappuccino, caramel, and vanilla pudding, the rich sweetness in harmony with the spices. An astonishing creaminess brings it home with notes of banana, green apple, and satsuma, with fruit pastilles on the finish. *Collectible*
