

Prima & Ultima
Mannochmore 31 year
old 1990
45.1%

Initially matured in refill casks, this unconventional whisky developed rich chestnut hues after nearly three decades in virgin European oak. An intriguing nose of prune juice, sultana, halva, wood spice, After Eight mints, and caramelized sugar. The palate expresses orange marmalade, chocolate-covered Brazil nuts, cocoa, oak spice, black cherry, and black currant mousse to finish: Refrain from adding water. This is exactly what you want from a series like this. (317 bottles)

—Vol. 31, #4
