

**Dalmore 14 year old
American White Oak
and Pedro Ximenez
Sherry Cask Mated**

43.8%

Honeyed oats, mango candies, and pomegranate open this plush whisky. The sweet fruit notes are matched by floral potpourri and soft oak, making for a breezy yet layered single malt. The palate is faintly smoky and citrus-forward with flamed orange peel, clementine, and candied lime drifting through honey, jammy berries, and maraschino cherries. After a sweet sip, the finish on this dries out, with additional smoke, wood spice, and barrel charr.
