

**Rock Island Mezcal  
Cask Finish**

**46.8%**

Rock pool saltiness, orange peel, dried tropical fruits, smoky agave, dry grassy notes, and lemon curd achieve an excellent balance of aromas. This demonstrates a superior mouthfeel and texture compared to other mezcal and tequila cask-finished scotches, with an invigorating palate of lemon Jell-O, gooseberry, sharp fruitiness, hot smoke, honeydew, and spices. (300 bottles)
