**Batch Proof 118.4**  
**59.2%**

At batch proof, Woodford's bourbon is layered and rich, opening with decadent tiramisu, café latte, and hazelnut coffee. With time and a little water, this whiskey unfolds with stewed fruits, berry compote, milk chocolate syrup, and a wide range of baked goods, like cinnamon rolls, blueberry muffins, and chocolate croissants. The finish is long and spicy, introducing black pepper and dark chocolate with sea salt, plus a healthy amount of toasty oak.
