

## Wyoming Whiskey 5 year old National Parks

### No. 2

52.5%

On the nose, Wyoming Whiskey's celebration of Yellowstone is complex and balanced, offering raisins, figs, and cinnamon-dusted vanilla cookies, all supported by roasted nuts and toasted oak. The palate is expansive, ranging from sweet vanilla desserts, more dried fruit, and candied nuts, to savory flavors like lemon pepper, red pepper flake, and bright jalapeño.

There's tannic oak on the long finish but it's balanced by cherries, cinnamon, and vanilla milkshake.
