

Chattanooga Founders 10th Anniversary Blend of Straights

50%

Chocolate is redolent on the nose, with hints of peanut brittle. On the palate, a light, soft mouthfeel offers traces of dusty oak, baking spice, and cocoa. It's a powerful one that softens with water, which also unlocks baked strawberries. Good length on a flavorful finish, with more red fruit notes, chocolate-bar sweetness, and cinnamon powder. Tasty if somewhat spiky at times, but full of flavor and nuance. (8,000 bottles)
