48.62%

All sorts of berries flood the nose. Dig a little deeper, and there's strawberry tart, blueberry coulis, vanilla frosting, and cinnamon stick. A wave of hot spice greets the palate, but the berries aren't gone for long; blueberry cobbler and strawberry ice cream intermingle with dark-roast coffee and cream. On the finish, there's chile chocolate that is mouthwatering and leaves you keen for more.
