

## Old Hickory

43%

Overall, this is deftly herbal and balances a light woodiness with an expansive array of sweet fruits and savory peppers. The nose opens with a wisp of oak before fennel, licorice, and creamy milk chocolate take the lead. The palate is playful; jammy fruits bounce off baking chocolate, raspberry hard candies, savory chicory, jalapeño, and black pepper. The finish has good length, but the flavors are subtle and airy.
