

## **Berkshire Mountain Distillers Race Brook**

**43%**

Expressive and fruity on the nose, with notes of mango, pineapple, dried apple, spiced watermelon, grape Kool-Aid powder, and hints of sweet vanilla. That fruity quality carries over to the palate, which is chalky, chewy, and viscous, with notes of sweet banana and baking spices. Water introduces blueberries, lavender, and more vanilla. The finish is long, smooth, and sweet, but tempered with spice. This whiskey knows its lane and shows sustained command.
