

Brush Creek Railroad 
(Boxcar #1)

52%

On the nose, there are balanced earthy, green aromas, like pine trees, damp leaves, and cut lumber, with bright tropical fruits and plenty of spice lying in the underbrush. This rye also delivers lemon drops, a citrusy-sour note, berry sweetness, and rich vanilla extract. The palate matches the nose but dials the spice up: Cinnamon, sweet rosemary, and tarragon shine through. The finish is long and nutty with balanced berries and sweet herbs.
