

## Middle West Spirits

46%

Expressive on the nose, with floral and fruity notes of raspberry lemonade, red apple skins, yogurt-covered raisins, and vanilla bean. There is a nice measured tartness to it. On the palate that fruit mixes with caramel, new wood, barrel char, and hints of coffee cake, with a lovely creamy texture. Vanilla cream and rich chocolate highlight a dessert-like finish. Ohio-grown soft red winter wheat lends sweet and smooth qualities.
