

Jack Daniel's Triple Mash Blend of Straights

50%

Jack's first malted whiskey, this blends 60% rye, 20% Tennessee whiskey, and 20% American malt, all bottled in bond. Banana bread, peppermint, menthol, grape Pixie Stix, and toasted coconut highlight an aromatic nose. A creamy palate delivers more bananas, vanilla bean ice cream, and a nice balance of sweet and earthy flavors. Cherry pastry mingles with vanilla and spice on a lengthy finish. Luscious texture provides a cozy bed for those classic Jack notes.
