

**Westland Colere 2nd  
Edition**

**50%**

The nose is fruity with notes of candied pears, clementine, and watermelon, then nutty with aromas of marzipan, nougat, and pistachio. Water brings out Cocoa Krispies and fruit cocktail. A lush palate delivers more sweet and syrupy fruit accentuated by white pepper and peanut butter crackers. That sweetness continues through to the finish which evokes black and white cookies.
