

**Talnua Virgin White
Oak Cask**

43%

Fully aged in charred new oak, this is the darkest liquid in the Talnua range and a combination that produces a riot of pot still spice aromas. Citrus peel, malt, earthy spices, dried apple, ginger, star anise, and oak on the nose. The first sip reveals soft baked apple and toffee notes, then a surge of spices, followed by butterscotch, baked citrus, marzipan, nougat, cantaloupe, and green apple (Colorado only).

—Vol. 31, #4
