

**The Balvenie Rum Cask**   
**17 year old**

**43%**

Rich and sweet, with toffee, coconut cream, Turkish delight, nougat, and honey. Ripe black raspberries, citrus, and dried spice (vanilla, fennel, and evergreen mint) provide complexity and attempt to balance all the sweetness. A pleasant dram, but I wish there was a little more to prop up all that sweetness. A whisky for those with a sweet tooth. Good with dessert, as dessert, or with a cigar.
