Japanese Cedarwood
Finish

48%

Delivering a unique flavor profile, this opens with delicate, ethereal notes of sweet lychee, grapefruit, white florals, and tangerine that float atop aromatic spice, paprika heat, tree bark, antique books, and balsa wood. The flavors encompass golden syrup, caraway, and sesame bars, with pepperiness wrapped around the base of the tongue, transitioning to smooth creamy vanilla, toffee, and orange peel, with dried apricot, strong green tea, and lingering clove.
