

**Method & Madness
Japanese Chestnut
Finish**

48%

Dry peppery spice and ample woody notes at the onset, with peppermint aromas building against a background of nuttiness, waxy leaves, and herbal notes. Licorice, orange peel, and ground pepper are overcome by a deluge of clove, bitter herbs, and woodiness, then the creamy mouthfeel erupts amid notes of menthol, clove, and unsweetened chocolate. This is the choice for the accustomed single pot still drinker who prefers Powers to Redbreast.
