

Proof and Wood Vertigo 

(2021)
51.15%

This blend has a bold nose, opening with overripe berries and figs and a heavy dose of vanilla extract, plus musty leather, butterscotch, and marshmallow fluff. On first sip, it is more rounded, with cola and caramel adding sweetness to a fairly woody drink. Peppermint candies and sweet fennel echo in the background, though the cola sings the loudest. (1,700 bottles)
