

**Old Pulteney 1990**  
**Vintage (Cask #4931)**  
**57.8%**

Fresh, briny, and very appetizing. Mouth-coating vanilla, lightly toasted marshmallow, and a kiss of honey add a soothing balance, while pineapple, nectarine, gentle spice, and subtle seaweed offer intrigue. Old Pulteney has great potential if only given the opportunity. Bottling at cask strength and not chill-filtered really brings out more of the whisky's subtle complexities. I welcome more single cask, cask-strength Pulteneys in the future. (A Park Avenue Liquor exclusive.)
