

Hibiki

12 year old, 43%

Well-rounded, solid malt backbone, and very drinkable. These are the main characteristics of this impressive blend.

Honeysuckle, vanilla-coated malt and fruit (pineapple upside down cake, lemon tart, plum, bramble) are the primary flavors. Ripe barley, marzipan, beeswax, and clove round out the palate. Gentle, soothing finish. Suntory can make a 12 year old blend this good with just two malt distilleries? Scotland, are you taking notice?

—Vol. 18, #3
