×	Whisky	
×	Hibiki	×
~	12 year old, 43%	~
	Well-rounded, solid malt	
	backbone, and very drinkable.	
	These are the main characteristics	
	of this impressive blend.	
	Honeysuckle, vanilla-coated malt	
	and fruit (pineapple upside down	
	cake, lemon tart, plum, bramble)	
	are the primary flavors. Ripe	
	barley, marzipan, beeswax, and	
	clove round out the palate. Gentle,	
	soothing finish. Suntory can make	
	a 12 year old blend this good with	
	just two malt distilleries? Scotland,	
	are you taking notice?
