

Stranahan's Colorado Whiskey (Batch 1)

47%

A special batch of Stranahan's, aged in Hungarian oak. The distillery is doing a lot of experimenting with aging their whiskey in different wine barrels. I really like how this one turned out. Nicely sweet, with honey-drenched fruit, golden raisin, cotton candy, caramel apple, Jordon almonds, and grape skins. Good grip -- and a little funky -- on the finish (nothing too assertive, though) which cuts through the sweetness. Not a polished whiskey, but certainly an adventure! (Available only at the distillery.)
