

Eagle Rare 17 year old 

45%

The other whiskeys in the Antique Collection get all the attention but, for the past few years, Eagle Rare

17 year old has been very impressive. This year's edition features vanilla taffy, caramel almonds, maple syrup, and candy corn, with balancing notes of polished leather, summer fruit, a dusting of cinnamon, mocha, and soft mint. The flavors are nicely integrated with good depth. A rock-solid effort that will not disappoint.
