

Brora

**30 year old (2009 Release),

This whisky has all the positive aspects of a very mature whisky (depth, complexity) without all the negative ones (excessive oak, one-dimensional). Very clean, but oily in texture, with honeyed vanilla, caramel, citrus (tangerine, orange, lemon), nectarine, olive brine, black pepper, ginger, cut grass, mustard seed, and just the hint of teasing smoke. Briny, spicy finish. Wonderful!
