

Glen Grant

16 year old, 43%

Thicker and fruitier than the entry level 10 year old, with greater mouthfeel and a drier finish. Orchard fruit (especially pear), kiwi, lime, and creamy vanilla, with suggestions of toasted coconut, hay, and marshmallow. Dry, gently spicy finish. A bit more involved than the 10 year old, but still with the same DNA. Very pleasant.

—Vol. 19, #1
