This whiskey has improved greatly over the past two years. (I thought that the 2007 release was almost too easy-going, as some wheated bourbons can be.) A little more oak spice has added balance, complexity, and depth. Very clean on the palate. Layered sweetness (toffee, caramel, maples syrup, elegant rum) provide a foundation for warming cinnamon, bramble, blueberry tart, sultana, light candy corn, herbal tea, and subtle marzipan. A soft, dry, polished oak finish ropes in all the sweetness, keeping me wanting more.

Excellent!
