

George T. Stagg

70.7%

Like the William Larue Weller releases a couple years back, I felt that the Stagg releases (after being brought down in strength) were almost too easy-going. Like the new Weller release, this bourbon has improved greatly, to classic status. Clean, balanced notes of toffee, molasses, nougat, polished leather, dates, roasted nuts, cinnamon, subtle summer fruits, teasing mint, ground coffee, nutmeg, and a hint of tobacco. Long, balanced finish. An outstanding bourbon!
