

## Cutty Sark Blended

### Malt

40%

Remarkably light and drinkable for an all-malt product. Malty foundation with citrus (lemon zest, tangerine sherbet) shining through, along with vanilla wafer, white chocolate, coconut, ginger, and cut grass. A worthy “bridge whisky” for blended whisky drinkers curious about malt whisky, but single malt whisky drinkers might want more individuality. A whisky for a warm, lazy afternoon.

—Vol. 18, #1
