

**Royal Lochnagar
'Selected Reserve**

' 43%

So nice to see this whisky available here in the U.S. again. A more mature, more sherried expression of the standard Royal Lochnagar. Rich, silky, and sweet, with molasses, nutty toffee, old demerara pot still rum, caramelized fig, marmalade, and juicy oak. More subtle notes of honeyed ginger, coffee grounds, and tobacco leaf add complexity. A soothing post-prandial dram.
