

Glengoyne 40 year old 
45.9%

Aged in sherry butts, which is a departure from some of the older Glengoyne vintage samples I have which show more bourbon barrel characteristics. It is a very fruity, spicy, textural dram, with spiced apple, red raspberry, strawberry, plum, golden raisin, fried plantain, and creme brulee. Good grip on the finish, with grape stems and warming spice (cinnamon, cracked peppercorn, and clove). I love the balance on this whisky. It has aged very gracefully. (Limited to 250 bottles worldwide.)

—Vol. 19, #2
