

### Rowan's Creek

**Batch 03-59, 12 year old,  
50.05%**

Beautifully balanced, like Kentucky  
Vintage, but more complex and  
with greater depth. It's also not as  
boldly dry as Pure Kentucky XO.

Rather, it is softer and more  
seductive. This is splendid  
bourbon! It would be a shame to  
adulterate this bourbon in any  
way—don't even think of mixing it.  
Find yourself a quiet moment,  
pour yourself a measure, and  
savor.
