

Rowan's Creek

**Batch 03-59, 12 year old,
50.05%**

Beautifully balanced, like Kentucky
Vintage, but more complex and
with greater depth. It's also not as
boldly dry as Pure Kentucky XO.

Rather, it is softer and more
seductive. This is splendid
bourbon! It would be a shame to
adulterate this bourbon in any
way-don't even think of mixing it.

Find yourself a quiet moment,
pour yourself a measure, and
savor.
