

Edradour Caledonia

12 year old, 46%,

A release chosen by Douglas Maclean (and named after his song "Caledonia"). Full sherry impact, but contained—not excessive or sappy. Rich, with nutty toffee, pot still rum, a variety of raisins (regular and golden), date, honeyed fruit, polished leather, and a hint of tobacco. Good resinous grip on the finish to balance the sweetness. The flavors are nicely integrated.
