

Stranahan's (Batch 49)

47%

It shows nice maturity, considering it contains whiskey as young as two years old. Smooth, too, with layered sweetness (honeyed caramel, English toffee, maple syrup), tangerine, roasted nuts, and peppered with spice (warming cinnamon, glazed ginger). Good grip of tobacco and polished leather on the finish balances the sweetness that comes earlier. An example of the right way to do artisan distilling.
