

Auchentoshan 18 year old

43%

When compared to its younger siblings, this whisky is deeper in flavor. The citrus becomes more dominant (glazed orange, tangerine marmalade), with added notes of caramelized nuts and maple syrup. A good dash of dried spices kicks in and the whisky becomes firm and dry on the finish. My favorite of the standard range is still the 21 year old expression, which has been around for quite some time.
