

Black Bull

12 year old, 50%

Quite rich and chewy, with nutty toffee, vanilla fudge, nougat, chocolate cake, orchard fruit, and black cherry—all on a solid malty foundation. This isn't one of those elegant, lighter-flavored blends with a high grain whisky content.

The focus here is on fullness of flavor. A blend for the malt whisky drinker (but should also appeal to the more open-minded blend drinker, too).
