

The Balvenie Caribbean Rum Cask 14 year old

43%

A new addition to the permanent Balvenie range. Lovely bright gold color. Layers of sweetness (the characteristic Balvenie honey, along with vanilla fudge, nougat, and rich toffee) peppered with dried spice and a hint of tropical fruit (papaya, guava, tangerine). Nice viscosity with good grip on the finish. I really like the balance and complexity of this whisky. A very solid effort and the price is right.
