

Old Forester Birthday Bourbon

**1997 Vintage, 12 year old,
47.5%**

Big and spicy, but contrasted by layers of sweetness. Vibrant dried spice (warming cinnamon, crisp mint, nutmeg, and cigar box), caramel, nougat, black raspberry, dried citrus, and a hint of chocolate fudge laced with coconut. Very warming on the finish, with a nice resinous grip without being over-oaked. A very dynamic whiskey.
