

The Glenrothes "John Ramsay" 46.7%

Made from whisky aged in second fill American oak sherry casks, distilled between 1973 to 1987. Richly malty, with honeyed citrus, juicy oak, chocolate fudge, and nougat. More subtle floral notes, licorice (red and black), ginger, and chamomile tea. Polished oak on the finish balances the sweetness. A great whisky to honor a great whisky maker! (Only 200 bottles for the U.S.)
