

Tomatin

**1973 Vintage (Cask #25602),
44%**

Aged in a refill American oak cask. Quite lively for its age, and the oak (surprisingly and happily) plays a supporting role rather than dominating. Creamy and mouth-coating, with vanilla wafer, coconut cream pie, caramel, nougat, and bright fruit (sultana, apricot, tangerine, and pineapple in syrup). Soothing finish. A very nice whisky. (Not available in the U.S.)£450
