

### Tomatin

**1982 Vintage (Cask #92), 57%,**

Aged in a refill sherry puncheon, and the sherry is evident in appearance and on the palate.

Soft and sweet, with caramel-coated mixed nuts, toffee apple, rhum agricole, currant (red and black), plum, cinnamon, and surprising brisk mint (especially toward the finish). A pleasing, non-aggressive expression of a mature, sherried whisky. (Not available in the U.S.)£340
